Recipes from the Cherry Orchard Inn

Prep Time: 2 minutes

Cook Time:

Serves: 1

Recipe for: Cherry Orchard Inn's Sour Cherry Martini

Ingredients:

1 fluid ounce of tart cherry juice (available in the juice aisle of most grocery stores)

2 fluid ounces of vodka (I use cherry flavored vodka, of course)

Splash of triple sec

1 slice of fresh lemon for squeezing (lemon juice will do too)

Sugar for the rim of glass

Tart cherry or maraschino cherry for garnish

Directions:

To prepare the martini glass, wet the rim of glass with tart cherry juice, then immediately coat with sugar. Chill in freezer.

Drop a cherry in the bottom of the glass. Combine tart cherry juice, vodka, splash of triple sec, and a squeeze of lemon (approximately 1 teaspoon of juice) in a cocktail glass and give it a stir. Enjoy!

Happy Baking!
